

The traditional Jewish discipline of reading the weekly Torah portion every week, is something which today's Messianic Believers surely benefit from—be they Jewish Believers who are discovering more about their Messiah from Moses' Teaching, or evangelical Protestants embracing their faith heritage in Israel's Scriptures. However, there can be a distinct tendency, at times, for the Messianic community to focus so much on the Torah or Law of Moses, that the continued revelation of God in the rest of the Holy Scriptures is overlooked. Messianic Believers have the profound responsibility to recognize that as important as the Torah is to people of faith, that the Torah's goal or consummation is Yeshua (Jesus) the Messiah. Our mortal inability to fully keep the commandments of the Law, is to reveal our need for a Divine Savior (Romans 10:4; Galatians 3:24).

How can today's Messianic people really learn to appreciate the role which the Torah and the good news of Yeshua's salvation play together, as the Lord molds us into an effective group which can fully accomplish His purposes? As many turn to the weekly Torah and Haftarah readings every week, Messianics have often associated a selection of key passages from the Apostolic Scriptures or New Testament. These either build on a theme detected within the various *parashot*, or they are intended to add additional details for consideration.

*TorahScope Apostolic Scriptures Reflections* is a compilation of insightful, encouraging messages, which incorporates information from the weekly Torah and Haftarah portions, connecting it to key messages in the New Testament, gleaned from the studies and notes of William Mark Huey. It is the author's intent that we can all allow the great tapestry of God's Word, to mold us into men and women, who can understand the full importance of being disciples of the Messiah of Israel.
