

Every week in Jewish synagogues the world over, a selection of a few chapters is considered from the Torah (the Pentateuch or the Law of Moses). The discipline of reading the *parashah* or Torah portion on *Shabbat* (the Sabbath) has helped maintain the cohesion of the Jewish people for millennia. As Messianic congregations have been formed, this tradition is something which has helped enliven the Bible readings and studies of many Jewish Believers and non-Jewish Believers alike, who are looking to Moses' Teaching to tell them something about the relationship we are to have with Yeshua (Jesus) the Messiah, and how we are to grow in holiness.

What are the benefits of consistently examining the Torah? What old lessons might need to be re-learned every year, and what are some new lessons for God's people to be considering? How does the Torah form a major part of the Messianic movement's understanding of the mission of God, and with what He wants to do with His people? Will we really be able to understand the admonition, "The secret things belong to the LORD our God; but the things that are revealed belong to us and to our children forever, that we may do all the words of this law" (Deuteronomy 29:29, WMB)?

*TorahScope, Volume I* is a compilation of insightful, reflective commentaries on the weekly Torah readings, gleaned from the studies and notes of William Mark Huey. Written from a Messianic perspective, this volume shares his conviction that a Believer's life and walk with the Messiah Yeshua can be viewed through the grid and lens of consistent Torah study. It provides contemporary examples of the relevancy of the Torah to Messiah followers, and how we are to each be conformed to His image (Romans 8:29).

# INTRODUCTION

**“The secret things belong to the LORD our God; but the things that are revealed belong to us and to our children forever, that we may do all the words of this law” (Deuteronomy 29:29, WMB).**

For millennia, the diligent study of the Torah or the Law of Moses has been primarily embraced by members of the Jewish community. For a variety of reasons, many followers of Yeshua the Messiah (Jesus Christ) have not been led to pursue the Torah in a similar fashion as established by the Jewish Sages and Rabbis. Instead, the five books of Moses have mostly been examined for their value in Biblical history. There is often no consistent, weekly examination of the Torah practiced in the Christian Church, unlike how it is read in Jewish Synagogue worldwide.

Since the First Coming of the Messiah and the composition of the Apostolic Scriptures (New Testament), most Christians have focused their faith on these writings and their significance. After the destruction of the Temple in 70 C.E., the emerging Christian Church began to steadily separate from its Jewish Roots. These two distinct religions—which both confess to serve the God of Abraham, Isaac, and Jacob—often approach Him through two different paths: one through the “Old Testament,” and the other through the “New Testament.” But interestingly enough, both groups are in fervent pursuit of the Law of God. One believes that the Torah is the words compiled by the teacher Moses, and the other believes that Yeshua the Messiah is the Word made flesh.

As a Believer in the Messiah of Israel, when introduced to the Torah for the first time from a Jewish perspective, I was struck by the reality that studying the Torah would actually *improve* my relationship with God. I concluded that if Yeshua is the Word made flesh (John 1:1), and if I were truly in the process of being conformed to His image (Romans 8:29; 12:2), then it would benefit me greatly to study the Torah and thus better understand who my Lord and Savior is. He Himself *did say*, after all, that Moses had written of Him (John 5:46). The five books of Moses
